As our fundraising manager, you are closely collaborating with the Managing Director of the farmer Association (Nicolas) and the CEO of our commercial entity (Christoph). You will:

- Develop the fundraising strategy for the social business Choba Choba - consisting of a not-for-profit organisation and a commercial entity
- Develop and implement (hands-on) the yearly fundraising action plan by leveraging the existing network and developing new sources
- Manage donor relations/retention and reporting to existing foundations, UHNWI and investors
- Analyse and improve existing fundraising tools and materials
- Donor Data Management
- Support shaping Choba Choba global strategy
- Other activities / projects

Your profile

- Several years of working experience in fundraising with proven track-record, ideally with UHNWI and institutional
- M.A. in Social Sciences, Business, Communication or similar education
- Strategic and hands-on personality
- Creative and innovative thinking with strong communication skills
- Donor experience and journey mindset
- Knowledge of Swiss Fundraising landscape
- Knowledge and network in social entrepreneurship world an asset
- Interested in sustainable food, social & environmental issues
